As new residents move into our community and long-term residents continue to update and improve their properties, we must all remember to review the deed restriction concerning the approval of plans, specifications, and location of buildings:

“In order to insure that the homes and other buildings in the Subdivision will preserve a uniformly high standard of construction, no building or other structure shall be erected, placed or remain on any Lot in the Subdivision until a set of plans or the working drawings and specifications, including a plot plan showing the location of the buildings or other structures, terraces, patios, walls, fences, driveways, poles, property lines, and setbacks, is submitted to and approved by the Reserve of Medina Homeowners’ Association”

Please remember to contact the Design Review Committee, chaired by Ken Chaloupek (330-725-4590) for approvals before making your property improvements.

"Preserving Our 'Reserve'" - What Makes This a Special Place to Live...

In last month's issue of *The Reserve Times*, John Flanagan, President of the Reserve Homeowners' Association pointed out a deed restriction concerning tree removal. At the August board meeting, members decided to continue the "Preserving our Reserve" articles for future newsletters. A by-law will be selected for each edition to serve as a reminder to all residents why we have chosen to live in the beautiful neighborhood of The Reserve.

DUAL CURB APPEAL AWARD

Upon entering The Reserve from Nettleton Road, the idea that "First Impressions Count" is evident from the beautiful view one receives from the homes at the entrance into The Reserve on Hardwood Hollow. Thanks to the careful attention given to landscaping and upkeep, entrants into our neighborhood certainly get the feel that The Reserve is indeed a "Special Place to Live". Therefore, this edition's Curb Appeal Award goes to the McLean family at 3201 Hardwood Hollow and the Blake family at 3202 Hardwood Hollow.

WHO READS THE RESERVE TIMES?

The answer is simple: anyone wanting to know what's going on in their neighborhood! Whether you receive the newsletter via email or hard copy, please take the time to read it. It is your way to keep informed.

An interesting thing occurred while delivering hard copies of the last newsletter. A young girl was helping out and she said "oh, this house already has one so don't give them one". The soaking wet *Reserve Times* already in the tube was from last Spring! Moral of the story? Pick it up and read it!

RESERVE TIMES/WEBSITE

Great News!! We are now delivering more than 2/3 of our newsletters via email! If you have an email address and have not yet sent it in, please send it to mm@images.com. Remember that you can always download the latest *Reserve Times*, along with previous issues by clicking on the issue date in the left column of our homepage @ www.medinareserve.com.

FIRST ANNUAL RESERVE MEN'S GOLF OUTING

The 1st Annual Mens' Reserve Homeowners' Golf Outing was held at Weymouth Country Club on Friday, August 29th, 2008. Two threesomes

took advantage of the opportunity to share a beautiful sunny day on the links. The six golfers were: John Flanagan, Dan Croghan, John Armstrong, Dennis Reese, Jim Schultz, and Dave Lapeus.

A great time was had by all. Aside from food, fun, good company, and some exercise, a portion of the entry fees was donated to Rainbow Babies & Children.

Thanks to Dan Croghan for coming up with the suggestion for the outing, and for organizing this through Weymouth Country Club (the conditions were terrific, by the way!).

We look forward to even more fun next year, and to having more of our Reserve neighbors join us!
